General Business

Warhorse donation for sharing site at Equidays (\$200.00) was used to pay for NZRC
leaflets, which were then used at Equidays. Leaflets are still available for advertising
NZRC.

NITE; Enough entries to cover expenses plus a small profit. (12 teams in total)
Rosemary to judge at NITE: Team Ride and possibly Gamblers Stakes. One South
Island team competing. Timberland still needs to affiliate (have done so since
meeting) Cambridge possibly entering a team.
Committee meeting to be held on Friday night of the weekend.

SITE: to be held in May

Website: Evelyn and Rosemary concerned that the website is still out of date. Clubs
have been showing concern over incorrect entries on site. New format should be up
and running in the New Year. **Vicky Siddall** to be the NZRC liaison person for the
website.

Equidays: went really well. Required 3 people on stall with well over 100 people
expressing interest and possibly 4 new clubs as a result. Stall looked fabulous, thanks

to Stephanie and Barry for their efforts setting up site (picture on Facebook) Good feedback on site. Sold hoof-picks that had been donated, “spin the wheel” competition for any person who signed up as an “interested party” in joining NZRC. Good prizes on offer. Photos to go in RRU and to sponsors.

RRU: Christine has a basic format sorted for the next RRU, just waiting for pictures from Heath. Should be out soon.
Still looking for a RRU editor
