NITE to be at Foxton 4 – 5 Jan 2020 at the Race course. Host club needs two other clubs to help with the day activities. Clarification of jumping event is being sought by riders

SITE 2020 look at the possibility of running a complementary Riding Club mount to NITE to celebrate 40 years of NZRC (possible new trophy challenge between South and North Island?)

Equidays theme to be discussed at AGM

NZRC did not sponsor a Kaimanawa this year, sponsorship deal not conducive to NZRC (Looking at a costing of \$3000.00 for sponsorship)

Sonja asked about the boundary materials allowed by NZRC for dressage arenas. NZRC does not have any policy on what clubs use. It is up to each individual club to chose whatever suits them.
